

CALL FOR PRESENTATIONS

April 25-26, 2024

Holiday Inn Executive Center, Columbia, MO

The Missouri Immunization Coalition invites you to submit a proposal to present at the 2024 Missouri Immunization Conference. The Conference brings together bright minds to give talks that are action-oriented on a wide range of subjects related to immunizations to foster learning and inspiration, as well as provoke conversations that matter and actions that lead to increased vaccination rates for Missourians. We aim to empower the public health workforce by offering a stage for stakeholders to share innovative ideas, equitable solutions, and their personal experiences promoting immunizations.

We are looking for presentations that have a statewide appeal to Public Health Professionals, Nurses, Physicians, Pharmacists, Advanced Practice Providers, Hospitals & Ambulatory Care Staff, Long-term Care Facilities, and Private Healthcare Providers practicing in rural, suburban, and urban settings and that fit with this year's theme. We are grateful for your contribution to the profession and interest in presenting your immunization efforts.
